

## DANCEBOY'S LIST OF BEST DANCES - Updated 2/9/24.

*(the latest revision is shown in the page footer at the end of this document).*

This is a list of proven dances which have been enjoyed 'on the night' by those present. Without exception all dances on the list have been danced by me at some time or another. All dances are from programmes danced in RSCDS Branches and Clubs throughout Scotland - amongst others, Glasgow, Stirling, Alva, Hamilton, Blairgowrie, Pitlochry, Troon, Dufftown, Beaully, Linlithgow and Edinburgh.

All the dances quoted here are brilliant or above average and many have exceptionally good music associated with them. A few of the dances have been included principally because of the music associated with the dance but it will still be a good dance! None of the dances have been selected solely because their titles have some association with the dance event i.e. Follow Me Home for a last dance or Christmas this or Christmas that during the Festive Season. I hope you, as I do, disapprove of 'oh so clever theme programmes' where we are obliged to dance third rate dances chosen because of a certain meaning or reference in the title.

If you are making up a programme in any part of the world this list should be of help in ensuring your customers have a great night!!

Dances which have a '#' before and after it are dances which perhaps should NOT be included in an average dance programme unless time has been allowed for the dance, or a movement within a dance, to be taught on the night. They might be included in a dance programme under the description 'Dance of the Month' or 'Instructor's Choice' with an experienced caller on hand.

All the others are dances which may be a bit of a challenge but could be included on any dance programme. Many of the dances in this list will still require some homework before the event. U-tube is increasingly providing very helpful videos of dances accessible via the link below:-

<http://www.scottish-country-dancing-dictionary.com/dance-cribs.html>

Alternatively, ask your class teacher to teach the dance at a class meeting.

Apologies - occasionally I include a dance the source of which is not known. In these cases I will publish at the end of this document my best memory of the dance - please make of it what you can. If you find an error and can provide a source document please let me know - I will see you get full credit for providing the correction!! Topsy Turvy was such a dance - although initially I 'got it wrong' input from fellow dancers allowed me to eventually apply the necessary corrections. When I'm not sure I will say so!

Use of the list below is free of any charge or commission - Good Luck & Happy Dancin'!!!
